**Welcome to IWM London**

We have told the stories of conflict for a century. Since 1917, people have entrusted us with their personal accounts of war. In the knowledge that we will continue to share them with future generations. A hundred years later, IWM now has a century of stories to tell. #IWM100YEARS

Find out more about fighting on the front line and life at home 100 years ago in our **First World War Galleries** and visit our award-winning exhibition on **The Holocaust**. Discover the real story of the Allpress family during the Second World War in **A Family in Wartime** and discover stories of bravery in **The Lord Ashcroft Gallery**. Gain an understanding of the origins, escalations and human impact of the ongoing Syria conflict in our **Syria: A Conflict Explored** season and explore how peace movements have influenced perceptions of war and conflict in our major special exhibition **People Power: Fighting for Peace**, until 28 August 2017.
