

## Duxford Air Festival 2019, 25-26 May

### Terms and conditions

You will receive your Air Show smart card ticket through the post 2 weeks before the Air Show. This will include your rail ticket, bus shuttle and entry to the Air Show. You will also receive an E-ticket from Ticketmaster which will just cover entry to The Air Show so ensure you travel with both.

If you do not receive your Greater Anglia / Duxford IWM smart card in advance of the Air Show, you will receive an Email from Ticketmaster that will include a permit to travel ticket by rail with Greater Anglia and entry to the Air Show.

Greater Anglia / IWM Duxford Air Show Tickets are only valid when booked as part of a Greater Anglia Train ticket bundle and are only valid when travelling by train and shuttle bus from Cambridge Station. Tickets are not valid for arrival on site by car.

For entry to the Air Show, you must show a valid Greater Anglia / IWM Duxford smart card ticket and/or your Ticketmaster E-ticket.

Air Show bundle is a limited availability ticket – when sold no more will be available. Do not travel to IWM Duxford without a valid rail and event ticket bundle.

Flying content is dependent on serviceability and weather on the day of the event.

Air Shows will not be cancelled due to rain. The Flying display is always subject to weather but it is unusual not to see any aircraft flying.

Tickets will be scanned, make sure to keep them safe on arrival.

Air Show tickets are not transferable / not for resale / and non-refundable under any circumstances.

It is the ticket purchaser's responsibility to check availability and times of trains before travelling.

*Lost Smartcards, if you lost your Smartcard and you're worried someone might find and try to use it, please contact Greaterdays to request a replacement e-ticket with a brand-new barcode - that way only you can get in. (re issue cost can be charged)*
