

We're excited to be welcoming schools back to IWM. To keep us all safe we're limiting bookings to three groups per day.

We ask that all teachers read the below before making a booking to ensure that you understand what will be expected in terms of IWM Covid-Safe Measures:

- We advise where possible that all group leaders/teachers that are requesting to book visit the site prior to the date of the visit to support their own risk assessments.
- All groups must use the sanitiser stations provided on arrival. A member of staff will direct you to the nearest toilet if any pupils are unable to use hand sanitiser.
- Please be aware staff will be wearing face coverings and social distancing remains in place for staff and the general public.
- For your safety all spaces occupied by school groups are cleaned frequently.
- We ask that students keep personal belongings with them wherever possible.
- All adults are required to wear masks in line with government guidelines unless there is a legitimate reason not to do so.
- You must not visit the museums if you or anyone from the groups have had any symptoms of coronavirus within the last 7 days. This also applies if any member of the groups' households has had symptoms within the past 14 days. It is the group leader's responsibility to monitor this and cancel your booking with IWM if needed by contacting:
