

THE STOKER'S CAFÉ & THE BAR @ HMS BELFAST

Our onboard café is located where the ships' stokers used to eat, sleep and relax. Today you can stop for lunch and take a welcome break from exploring HMS Belfast's nine decks.

We also have an outdoor seating area on our boat deck where you can take in the iconic views of London whilst enjoying a coffee, light bite or ice cream.

Extend your experience with us by visiting our rooftop bar, enjoying a glass of wine and a snack or a bespoke cocktail whilst taking an unrivalled vista of Tower Bridge and HMS Belfast.
