

We ask that all teachers read the below before making a booking:

- **In line with the government updates we now require all visitors over the age of 11 to wear face covering. This includes school pupils and teachers, unless exempt.**
- **If your school group are taking part in a learning session in one of IWM's learning spaces, we strongly recommend that face coverings are kept on.**
- We advise where possible that all group leaders/teachers visit the site prior to the date of the visit to support their own risk assessments.
- Groups should make use of the sanitiser and hand-washing facilities provided. A member of staff will direct you to the nearest toilet if any pupils are unable to use hand sanitiser.
- Please be aware staff will be wearing face coverings and where possible social distancing remains in place for staff and for the general public.
- For your safety, all school equipment and spaces occupied are cleaned frequently.
- We ask that students keep personal belongings with them wherever possible.
- You must not visit the museums if you or anyone from the groups have had any symptoms of coronavirus within the last 7 days. This also applies if any member of the groups' households has had symptoms within the past 14 days. It is the group leader's responsibility to monitor this and cancel your booking with IWM if needed by contacting:
