

COVID-19 SAFETY MEASURES APRIL 2022

We ask that all teachers read the below before making a booking:

- We advise where possible that all group leaders/teachers visit the site prior to the date of the visit to support their own risk assessments.
 - Groups should make use of the sanitiser and hand-washing facilities provided. A member of staff will direct you to the nearest toilet if any pupils are unable to use hand sanitiser.
 - For your safety, all school equipment and spaces occupied are cleaned frequently.
 - We ask that students keep personal belongings with them wherever possible.
 - We recommend that visitors wear masks indoors where possible, especially in crowded areas and enclosed spaces. This does not apply to primary school children.
 - As per the latest Government advice, if you, or any member of your party, have symptoms of coronavirus, or have reason to think that you may have coronavirus, you should stay at home and not visit the museum.
